

To Richmond Consultants

### **MM2H Visa Application**

I would like to express my sincere thanks for the **professional and efficient manner** in which you managed my successful application for the MM2H 10 year visa programme.

From the initial meeting to the final application I was kept fully informed of the progress of my application. At no stage in the process was I uncertain as to what was happening. Your instructions on what I had to do and what information I had to provide were simple, clear and concise and you made the whole process very easy for me. The key thing for me is **that I was always confident that you knew what you were doing.**

**You promised me a hassle free application process and you delivered on this promise.** If I look back now I realise the whole thing was achieved in three simple steps. The initial half day meeting to do all the paperwork and complete the initial application. You informed me immediately when my application was approved. The final two steps involved another half day for the medical and completing the banking arrangements followed immediately by the half day visit to the Immigration department for the final visa approval.

I would especially like to thank Eric for all his hard work in co-ordinating my application and **I would have no hesitation in recommending your services to my friends or colleagues.**

Once again many thanks for your efforts.

Regards,

**David Krajnyk**

To Whom it May Concern

I used Richmond Consultants (MM2H) Sdn Bhd as my agent to process my application for Malaysia My Second Home (MM2H). They were extremely helpful and professional throughout.

My application was not straightforward: I was a serving diplomat in Malaysia when I began the process - one of the first diplomats to do this. I also had an existing duty-free car which I wished to transfer from diplomatic to MM2H auspices – a further complication.

Richmond Consultants (MM2H) Sdn Bhd were enormously helpful in advising and steering me through these various complications (including changes to the rules which came in while my application was in process). They worked out a special arrangement with the Malaysian authorities which enabled me to obtain the MM2H visa, and my duty-free car, smoothly and within the desired time-frame. Without the help of Richmond Consultants (MM2H) Sdn Bhd, that would simply not have been possible.

I can thoroughly recommend Richmond Consultants (MM2H) Sdn Bhd as an agent to anyone thinking of applying for MM2H.

To Whom It May Concern:

A Swiss friend recommended Richmond to me because 4 of his friends had gone through this program already before and all of them **were very satisfied by Richmond`s efficient, professional and 100% successful service.**

Now after having received the mm2h approval myself I am honestly very impressed about Richmond`s performance and detailed knowledge of the system.

They really make sure that inspite of all common difficulties at the end there is success.

If everything runs smoothly every mm2h agent is good; but Richmond has proven that they are also good if problems occur and the way gets rough. They know how to handle the most difficult and sometimes unexpected requirements.

I can really recommend Richmond for any applicant who wants a smooth sailing.

Having lived and worked in Malaysia for almost 25 years I decided, upon retirement from working life, to continue to stay in Malaysia, taking advantage of the offer by the Malaysian Government to continue to reside in this country under the “Malaysian My Second Home Program.

In spite of being familiar with the local environment in terms of immigration rules and regulations, I decided to pass the application procedure for the above mentioned program to Richmond Management, a consulting company well positioned, with full knowledge of all application requirements and taking the responsibility as sponsor for each applicant.

Richmond Management excelled in the details of the application and ensured that the application was submitted in correct form right from the start. This, in turn, ensured fast and efficient approval by the authorities and the application was approved earlier than expected.

Based on above experience, I found Richmond Management very efficient and a very responsible consultant rendering exact and precise information in the often complicated area of immigration rules. I have no hesitations and fully recommend Richmond Management to anyone who may decide to make beautiful Malaysia their “Second Home”.

致各位准备申请“马来西亚我的第二家园计划”的朋友们：

我是来自四川省成都市的中国公民：向前飞。我及我的家人已经成功获得“马来西亚我的第二家园计划”申请批准！并且我及我的家人同时得到了该计划的签证批准！

我要非常感谢“富门（马来西亚）居留权顾问和产业集团（RICHMOND CONSULTANTS (MM2H) SDN BHD）”负责人：JASLYN 沈女士，ERIC 沈先生，以及中国境内联络人：薛松先生。他们给予了我们非常多的帮助，包括准备各种申请表格、协助办理各种政府公证文件、协助开设中国境内及马来西亚境内的个人银行账户、协助寻找适合我们小孩就读的学校、协助寻找适合我们居住的别墅等等各项事宜。

我想如果没有他们的帮助以及出面向马来西亚旅游局提交申请报告，我们的申请也不会这么的顺利和成功。所以，我要再次诚挚的向他们的工作致以衷心的感谢！

你们的朋友：

Subject: **MALAYSIA MY SECOND HOME PROGRAMME**

Dear Sir:

I Neaz Ahmed and my wife Shaheda Ahmad bearing New Zealand Passport no. **EA060364** and **EA060363** respectively have recently been given passes under the 'Malaysia-My Second Home Programme'.

We visited Kuala Lumpur from 1<sup>st</sup> May 2007 to 5<sup>th</sup> May 2007 and got our passports stamped in this regard. Mr. Eric Sim of your Company who handled our total processing from start to finish has done a remarkable job to our total satisfaction.

Mr. Eric Sim always gave us vital information and key requirements for the 'Malaysia-My Second Home Programme' and always kept us informed with up to date rules and regulations from time to time. Before leaving for Kuala Lumpur, he also advised us about the detailed requirements, Insurance, Health Check-up, Fee etc. He was always available to us round the clock via his mobile.

During our stay in Malaysia he gave so much of his personal time and was always with us during Medical Check-up, Insurance and at the time of stamping the passports.

We were very impressed with his sincerity, straightforwardness and professionalism during the whole process and therefore, would like to record our appreciation for his services and of your Company.

We thank most sincerely for Mr. Eric's services and of Richmond Realty for a job well-done.

Thanks and best regards,

**Neaz Ahmed**
